# M18 Cordless Impact Wrench

The Cordless Impact Wrench is a heavy duty multi-purpose 18v tool ideal for a variety of applications including fastening and installation/removal of nuts and bolts. The wrench features an impressive torque of 610Nm making it the flawless solution for these applications in fabrication and construction works. Red Lithium-Ion batteries ensure a long lasting and efficient battery life.

## Features and Benefits

- Red Lithium-Ion batteries increase run time
- Bolts ranging from M12 - M20
- Low vibration

Product Code 02/0294

## Technical Specification

|                                       |         |
|---------------------------------------|---------|
| Torque (Nm)                           | 610     |
| Bolt Range                            | M12-M20 |
| Square Drive (mm)                     | 12.7    |
| Decibel Reading dB(A)                 | 91      |
| Vibration Reading (m/s <sup>2</sup> ) | 11.3    |
| Weight (kg)                           | 3       |

## Green Option Credentials\*

|                                     |       |
|-------------------------------------|-------|
| Carbon Saving (kgCO <sub>2</sub> E) | 0.03  |
| Cost Saving                         | £0.01 |
| Energy Saving                       | 33%   |
