TE 1000-AVR Breaker

The state of the art Hilti TE 1000-AVR breaker pummels through concrete and boasts a remarkable 50% demolition power increase. Featuring Hilti's HiDrive technology and delivering the highest output per day, it's packed with all the power you need for tough demolition work with the lowest, unmatched vibration, thanks to AVR (Active Vibration Reduction).

Features and Benefits

- Powerful breaking performance thanks to exceptional impact energy and innovative Hilti Polygon chisel design
- Can break up to 3,600 litres before reaching vibration limit levels and uses a harmonized Dust Removal System to reduce risk and increase productivity
- Inline design for easier handling and comfort in demanding breaking application
- HiDrive motor to reduce down time and control performance

Technical Specification

Impact Power (J)	26
Decibel Reading dB(A)	98
Power Input (w)	1600
Power Output (w)	1750
Vibration Reading (m/s ²)	5
Weight (kg)	12.5

Product Code 11/0260
