LED Festoon

The LED Festoon Lighting offers 21 high-quality Nichia LED's that deliver energy efficient savings with an increased light output. All energy generated is converted to light, eliminating the risk of overheating and removing the need for cooling time. Delivering twice the lumen power of conventional festoon lighting, the LED fitting is a safe and efficient lighting solution ideal for a wide range of applications.

Features and Benefits

- 21 Nichia LED lights per fitting
- Increased longevity
- No cooling time required
- Delivers twice the lumen power of conventional festoon lighting

Product Code 22/0012

Technical Specification

IP Ratings	IP44
Portable Transformer (kw)	3
Voltage (v)	110
Wattage (w)	80
Model	Nichia LED
Weight (kg)	8.4

Green Option Credentials*

Carbon Saving (kgCO2E)	3.21
Cost Saving	£0.86
Energy Saving	100%

*Per Hour
