

Energy Efficient

LED 6000

The LED 6000 provides a more comfortable working environment with a clean white light which creates less shadow. The solid state LED technology delivers 50,000 hours life expectancy increasing the reliability of the light on site.

The LED 6000 is available with single, double and quadruple lighting heads.

Features and Benefits

- Innovative CREE LED's
- Easily powered through a small generator
- 50,000 hours life expectancy

Product Code 22/0063

Technical Specification

Light Output (Lumens)	6000
Wattage (w)	78
Voltage (v)	110 or 230
Height (mm)	92
Length (mm)	203
Weight (kg)	2.32

Green Option Credentials*

Carbon Saving (kgCO2E)	0.21
Cost Saving	£0.06
Energy Saving	84%

*Per Hour
