LED Smith Light

The LED Smith Light is a robust, solid, double headed LED adjustable headlight. The lighting head tilts down by up to 60° providing the user with adequate illumination for enclosed and confined space work. The Smith Light is extremely versatile and is designed to attach to a variety of equipment including tripods, scaffolding and elevated work platforms providing a lighting solution in a number of applications.

Features and Benefits

- IP65 UV and saltwater resistant
- Mains on/off switch
- Virtually no heat emitted
- Adjustable head height

Product Code 80/0700

Technical Specification

Light Output (Lumens)	2060
Running Time (One Head)	12 Hours
Voltage (v)	240
IP Rating	65
Open Height (m)	1.1
Weight (kg)	8.4

Green Option Credentials*

Carbon Saving (kgCO2E)	0.17
Cost Saving	£0.05
Energy Saving	67%

*Per Hour
